

Health and Social Care courses

BCE in partnership with Bristol City Council are running free courses for students interested in careers in the Health and Social Care sector. These are free interactive two-day courses, including meeting with service users and employers who have live vacancies (refreshments included). There are a few places left and interested students should apply through eventbrite on the links below.

Course 1

25th /26th June at the **City of Bristol College, Ashley Down campus** -
