Monday	01-Jun		Further Maths	Music
Tuesday	02-Jun		Geography	Sociology
Wednesday	03-Jun			Psychology
Thursday	04-Jun		Chemistry	PE
Friday	05-Jun	Spanish		Biology

Register to use Zoom (<https://zoom.us/signup>) using your school email address. You can also use the Zoom app.

To access each session, you will need a meeting ID number and password. Your teacher will add these details to SMHW on the morning of the session.

Once you have signed in, you will be in a waiting room and admitted to the session by your teacher. Please be ready for a prompt start. For safeguarding reasons, teachers will lock their virtual classroom a few minutes into the session. Again, for safeguarding reasons, staff have been asked to disable certain features during this trial period. This includes visibility. You will be able to see the teacher but not see other students. Private messaging between students will be turned off and only the teacher will be able to share the screen. When we review the pilot, we may relax or modify some of these rules. If staff have any concerns about a student's identity or conduct, they will disable audio or even remove the student from the session. I'm sure this won't be necessary!

Staff will be recording the sessions but will not post these on SMHW or anywhere else.

I hope that this a successful pilot. Staff involved will be reviewing the programme but I would also welcome any feedback from students involved.

Miss Khan
