

11 May 2020

Dear Parents and Carers,

From the PM's announcement last night and the further detail which was released today it is clear that there will be no return to school for secondary students in the near future. KLB is far too quiet at the moment and we would love to see a return to some sort of normality, however, it is essential that this only happens when it is safe to do so. We are clearly not yet at this point in time.

We will be considering the implications of the announcements on a wide range of school matters including in-school provision, home learning, calendar dates and the next school year. There is mention of preparing for some form of return for students in Years 10 and 12 and so we will ready ourselves for that eventuality. As we plan for the coming weeks we will update you with any changes to the current arrangements.

We are all trying to navigate our way through these uncharted waters, however, I would like to reassure you that we remain as committed as ever to supporting your children through the coming weeks and months.

Yours faithfully,

Tim Rand  
**Headteacher**
