## Summary of PPG spending 2016/17

### Objectives in spending the PPG:

- To narrow the gap in achievement between Pupil Premium students and non-Pupil Premium students, enabling Pupil Premium students to engage successfully with education, employment and training post 16.

#### This will be realised when:

- The attainment of Pupil Premium students is in line with their peers
- The achievement of Pupil Premium students is in line with, or in excess of, their personalised targets and predictions
- The achievement and attainment of Pupil Premium students is supported by their parents'/carers' engagement
- Engagement in and enjoyment of learning inside and outside school is promoted and facilitated for Pupil Premium students

One to one and small group departmental targeted support	£240	To support students to attain their target grades in all subjects.	Additional support has been provided for other subjects where a particular need was identified.						
Inclusion Assistant	£28,738	To act as key workers for students who experience significant barriers to learning, in particular students for whom engagement and/or behaviour is a concern.	<p>Our Inclusion Assistant has worked closely with teaching staff, HODs, the pastoral team and parents in order to co-ordinate support and catch-up work for PP students across KS3 and KS4. All parties involved have given extremely positive feedback as to the impact of this work on attainment, achievement and engagement.</p> <p>Our Inclusion Assistant has also been involved in working with Year 11 students on Post 16 applications and Year 10 students on securing valuable work experience placements.</p>						
Independent study resources	£1,148	To support students to organise their independent study time and improve independent study skills.	<p>Revision guides/materials for KS4 were provided where necessary.</p> <p>Digital resources have also been provided, enabling access the necessary resources from home to complete and manage homework, controlled assessment preparation and revision.</p>						
Educational visits	£423	To promote engagement in the curriculum and maximise attainment in controlled assessment components.	<p>All PP students were able to attend curricular trips.</p> <p>Support has also been provided for PP students, where necessary, in order for students to attend extra-curricular trips focused on developing valuable qualities and skills.</p>						

Music tuition support	£294	To promote and facilitate engagement in, and enjoyment of, learning music inside school.	We have provided 1:1 music tuition through the use of PP funding, allowing students to fully engage in, and enjoy their learning inside school.
Uniform (includes replacing previous LA grant)	£750	To enable students to feel part of the school community.	Uniform support has been provided, where necessary, in order to enable students to feel part of the school community.
Technology & Art supplies	£110	To provide materials where necessary, allowing PP students to fully engage in and enjoy their learning in art and technology subjects.	Materials have been provided for some PP students, allowing these students to fully engage in and enjoy their learning in art and technology subjects.
Targeted support for Looked after Children	£9,500	To work closely with the Virtual School, and other relevant agencies, to ensure the needs of Looked after Children are met.	1:1 tuition has been provided for our Looked after Children in English, mathematics, science, languages and art, supporting them to achieve their targets.  Digital resources have also been provided, enabling students to access the necessary resources from home to complete and manage homework, controlled assessment preparation and revision.
